

Certificate of Achievement

Jenn Layton Annable

has completed the following course:

THE SCHOOL FOR CHANGE AGENTS
NHS LEADERSHIP ACADEMY AND NHS HORIZONS

The School for Change Agents builds change agency, which is the power, individually and collectively, to make a difference. Participants learn how to push the boundaries of what is possible, mobilising others and make change happen more quickly.

The person named on this certificate has completed the activities in the attached transcript. For more information about Certificates of Achievement and the effort required to become eligible, visit futurelearn.com/proof-of-learning/certificate-of-achievement.

This learner has not verified their identity. The certificate and transcript do not imply the award of credit or the conferment of a qualification from NHS Leadership Academy and NHS Horizons.

Jenn Layton Annable

has completed the following course:

THE SCHOOL FOR CHANGE AGENTS NHS LEADERSHIP ACADEMY AND NHS HORIZONS

The School for Change Agents provides an opportunity for change agents and leaders in health and care to build their skills, confidence and networks for leading change. Through a mixture of interactive and social learning, participants learn how to use power effectively to enable change in complex environments. They understand how to push boundaries, take action, respond to feedback and create change; and how to lead others to do the same.

STUDY REQUIREMENT

6 weeks, 2 hours per week

LEARNING OUTCOMES

- Demonstrate relevant skills to lead and create change among peers.
- Evaluate approaches to create change and improve on them based on analysis from peers.
- Develop an understanding of change methodology.
- Develop knowledge of accessing communities and resources related to creating change in their locality.

SYLLABUS

Over the six weeks of School you will:

- Discover what drives you to want to create change
- Learn how to bring others with you to create a movement for change
- Understand how to use power effectively to support your change efforts
- Learn how to enable change in complex environments
- How to take action and realise the changes you want to create
